

## WV Board of Dentistry Manual Card Submission Procedures

Applicants who are unable to be fingerprinted in WV at a MorphoTrust Live Scan site can submit FBI hard cards to the MorphoTrust card scan office. The MorphoTrust hard card scanning program utilizes advanced scanning technology to convert a traditional fingerprint card (hard card) into an electronic fingerprint record. Converting a “hard card” into an electronic record enables an applicant to have their fingerprint record processed as quickly as if they had traveled to a LiveScan machine. The section below details the procedures for submitting fingerprints to the LiveScan Processing Unit.

### West Virginia

- Applicants should obtain a set of fingerprints from a local law enforcement agency or other entity that provides fingerprinting services. These fingerprints may be either traditional ink rolled fingerprints or LiveScan fingerprints.
- Fingerprints may be submitted on FBI applicant cards or fingerprint cards from any other state or local government agency (we prefer standard FBI applicant cards). Standard card is form **FD-258** available from your agency or the FBI. **Slap prints (all four fingers at once on each hand) on the bottom of the card MUST be printed vertically in the assigned boxes on the card, not slanted or horizontal.**
- Applicants need to make sure the fingerprint card is completely filled out. Required information includes: Full name, date of birth, home address, sex, height, weight, hair color, eye color, place of birth (state or country only), citizenship, and reason fingerprinted.
- Applicants will need to mail a copy of the appropriate West Virginia Card Scan Information Form with the fingerprint card. All fields must be completed and match information provided on the fingerprint card. **All information should be legible.**
- Applicant must complete and sign a WVSP Authorization form. Form 39F is used for STATE AND FBI Requests. **Any applicants under the age of 18 must have a guardian signature on the fingerprint card and authorization form.**
- **Failure to completely fill out the information on the fingerprint card or failure to provide the appropriate Information Form will result in the card being returned to the applicant, which will delay the fingerprint submission.**
- The fully completed card, along with the WV Card Scan Information Form, Authorization Form, and the appropriate fee (indicated in the application packet) should then be mailed to the following address:

*MorphoTrust  
West Virginia Cardscan  
6840 Carothers Parkway, Suite 650  
Franklin, TN 37067*

Please include a daytime telephone number or email address where the applicant can be reached if we have a question about the fingerprint card.

- Please include the full name of the applicant on each check or money order.
- Applicants wishing to verify that a fingerprint card has been processed may call (855) 766-7746 and speak with a customer service representative.
